DETAILED ACTION

Allowable Subject Matter

Claims 1-9 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art fails to teach an i.v. catheter assembly that includes the combination of a catheter a self sealing or closing plug, a first distal needle, a second proximal needle and needle holding means where the second proximal needle is moveable through the plug and into coupling engagement with the first distal needle to form coupled needles which move together and are adapted to be withdrawn together proximally from the catheter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Catherine S. Williams whose telephone number is 571-272-4970. The examiner can normally be reached on Monday - Friday.
